SWIMEO

SWIM WITHOUT LIMITS

CUSTOMER INSTALLATIONS

SIREM

SUMMARY

In this document, you'll find some photos of our customers' pools who have opted for a SWIMEO turbine.

SWIMEO model S

An outboard model, the **SWIMEO S** is designed for use in existing pools, making it easy to its limits. This model is easy to install into the pool.

SWIMEO model X

An integrated model, the **SWIMEO X** fits into a specific niche when the pool is built.
It guarantees discreet, elegant integration.
